Admissions
Our Admissions Staff, along with the Director of Nursing and Administrator assess each new resident. This assessment is the initial step in developing an individualized care plan for each resident and facilitating a smooth transition to Andover Village.

Admissions are available 24 hours a day to accommodate residents, families and hospitals.

Our experienced Admissions Staff will help determine insurance eligibility and guide you through the process. Andover Village accepts Medicare, Medicaid, most major insurance plans, Long-Term Care Insurance and private pay.

About Us
Andover Village Skilled Nursing & Rehabilitation provides quality nursing care and medical treatment within a caring and compassionate environment.

For residents requiring long-term care or recovering from surgery injury or illness, our facility offers spacious private rooms, comfortable lounges, inviting dining areas, landscaped courtyards and lively activity spaces that provide therapeutic benefits and promote wellness.

At Andover Village, our interdisciplinary team of experienced healthcare professionals strives to meet and exceed expectations of our valued residents.

Skilled Nursing Care
Our attentive Nursing Staff provides 24-hour care for our residents, communicates with family, and medical professionals, and ensures that each patient’s right to participate in care decisions is respected.

The quality, consistency and dedication of our caregivers are the keys to our success.

We offer a complete range of skilled nursing services including:
- post-operative care;
- disease management;
- medication management;
- IV Therapy;
- enteral feeding;
- pain management;
- wound care, and much more.

Residential Life
Activities
Our creative and enthusiastic Activities Staff offers a broad range of activities seven days a week. Recreational activities improve physical functioning, enhance social and cognitive skills, improve emotional health and self-esteem and provide a safe, nurturing environment for creativity and self-expression.

Residents are encouraged to maintain their hobbies and interests and to explore new ones.

Dining
Each resident meets with our Dietary Staff to discuss their nutritional needs and food preferences. We prepare delicious and nutritious meals featuring a variety of fresh seasonal offerings. Residents are encouraged to dine in our dining room but may choose in-room service.

Rehabilitation Services
When appropriate, patients are evaluated to determine their rehabilitation goals. These findings form the foundation for an individualized plan, which is implemented to help them achieve functional independence.

Our high standards of excellence and the active involvement of our multidisciplinary team set us apart. Family involvement is encouraged.

Dialysis Care
Our on-site dialysis service provides tailored treatment options and education to patients with chronic kidney failure and end stage renal disease. Flexible dialysis schedules, reclining chairs and flat screen TVs are just a few examples of our commitment to providing comfort and convenience to our patients.

Respiratory Services
Our 24-hour respiratory staff is directed by a Pulmonologist. Services include both long-term and weaning program, helping residents regain breathing comfort and stability.

- Around-the-clock respiratory team and RN coverage
- Specialized activities for ventilator dependent patients
- Aggressive weaning program with therapy driven exercises
- Piped-in oxygen and in-wall suction

Andover Village is dedicated to preserving the individuality and dignity of our residents, and promoting an environment of safety and comfort.

Returning to functional independence
